INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Happy anniversary, you guys! It's our [checks calendar] *THIRTIETH* anniversary? *WHAT*? How did that even happen??

Just kidding, I know how it happened. BARELY LEGAL keeps going and going and going for two main reasons:

1. The cutest girls on earth can be found here every single month.

2. YOU guys. You keep buying BARELY LEGAL *and* you keep making it better. You know I couldn't put this mag together without your feedback (positive *and* negative) and your ideas (especially the dirty ones).

BARELY LEGAL will live forever as long as I have *you*. So thanks, you guys. LOVE YOU!

BLAIR HUDSON

cuter than ever

Hey, it's Lindsey. Our May 2023 covergirl Blair is back! Is she even cuter now? I think she's even cuter now!

Hi, Blair! What do you like best about posing nude?
I love how confident it makes me feel. I am such a sexy female and really feel like it naked in front of a camera.
What do you like best about doing porn?
Probably the money. It's also something I enjoy doing. Basically my dream job.
How often do you masturbate?
Once a week usually, whenever I get horny—so maybe more, maybe less. Depends on the day, really.
What's your favorite method?
Vibrator for sure!! Feels the best, it's the quickest—you do nothing.
Do you like to give head?
I enjoy giving it to the right person.
Do you like to swallow?
Of course. Spitters are quitters.
What's your favorite position?
Missionary.
How do you like to be fucked?
Passionately.
What's your favorite fantasy?
Um, I've always wanted to try a gangbang.
Oh my! My fantasy is pretty innocent: it's to see *you* again. Naked.
That's an easy one to make come true!★

MAY 2023 PANTY CONTEST WINNER!

Thank you to everyone who entered. Congratulations, K.K.!

Dear BARELY LEGAL,

I want to win Bianca's panties. It's been a dream of mine to win the Panty Giveaway Contest ever since I picked up my first BARELY LEGAL magazine three years ago when I quit Internet porn. Your magazine helped me quit my Internet porn addiction. Seeing the girls on the pages is just so much more intimate than Internet porn.

If I won Bianca's panties, the first thing I would do is drape them over a humidifier and let the smell of sex fill the room. Then I would bask in her scent the whole day, picturing her soaking wet pussy against my nose as I eat her out, smelling her sweet pussy scent. I bet it smells like honey with a hint of lemon.

I would eat her sweet kitty out until I couldn't handle it anymore. I would fuck her gorgeous pussy and combine our scents—her sweet pussy and my salty cum. The smell of sex would linger. Anybody who walks in would smell it.

That's what I would do with Bianca's panties!

K.K.
Indiana

Dearest beautiful and sexy Lindsey,

Been a while since I wrote you, but I was looking through the February magazine and I came across Teen Queen of the Month Valerie—such a beautiful, sexy young lady—and I wanted to answer her question "What's your favorite fantasy?"

Well, my fantasy is to spend a long weekend with Valerie catering to her every need. That's because she'll be naked, bound, and gagged for me to have fun with.

P.H.
New York

P.H., that sounds like MY fantasy. I love it! :) ***—Valerie***

Hey Lindsey!
I've just checked out the digital issue of the March edition of BARELY LEGAL (our supplier for the printed copies here in the U.K. appears to have died a death...) and have to say that your uncanny ability to spot a hottie remains as on point as ever. I also loved your mentioning that you managed to have me and my fellow countryman Sam C. in the same issue... Might that have been a double entendre? It certainly made me laugh out loud imagining something you might find on the pages of *BARELY LEGAL XXX*!

Having sung her praises, it was great to see the lovely Ellie Jane again, sporting an even *skimpier* pair of little white panties! I was also blown away by the delectable Carmen, whose cover shot really hit the spot. It has become fashionable to have stars, dots, and blobs covering up nipples on magazine covers, but nothing beats the old-school hands-on-titties pose. I also found it hard to get past the opening shots of Carmen in her tiny little denim miniskirt, which is probably the first piece of clothing I'd ask every BL babe to pack in her suitcase before heading off for a photo shoot.

A shout-out also to sweet Eurobabe Jenny Wild, who has been a favorite of mine for a while now. It was sort of inevitable that she would find her way onto the pages of BARELY LEGAL... As I said, you have an uncanny ability to spot a hottie!

With love and kisses from across the pond,
Sharkyboy

Thank you, dear Sharkyboy! To answer your question: I didn't plan that double entendre. It was an accident. Although some people say there ARE no accidents... ;) ***—Lindsey***

Dear Lindsey,
Crissy and Kelly kick off April with amazing A-cup goodness. Crissy has large, dark areolae, while Kelly's plump nips have enticing little creases. Down there, I want to taste them both in every nook and vulva cranny.

Thanks for bringing back Trillium. I adore her lacy light-blue panties and matching front-clasp bra. I love her fluffy little bush and fascinating pussy layers. I like her ass, but I like Camila Cortez's better. She got cake! I'm sad to see Tabitha Elm go. Her elfin tits still inspire me, hardware included.

In your column, you ask if flipping through an issue of BL is an intense experience. Fuck yeah it is! It starts for me on Boobsday, the day my print issue arrives. I read it cover to cover. I have my first orgasm, then I get familiar with the new layouts. I think about your monthly question, my next letter, or maybe a panty contest. When the digital issue drops, I zoom in. I pick up flipping where I left off, which helps me remember my favorites. Boobsday comes again. I have my last orgasm. Always, I embrace the new issue. Every month, I press send.

Yours,
P.D.
By email

P.D., is it weird that reading about your intense experience is making me feel a little intense in my undies? ***—Lindsey***

Let me first say, I am *not* fat. I know that. But I *do* actually eat food, and sometimes it's hard watching guys drool all over these movie stars and models and influencers with their teeny-tiny tummies and no titties. I mean, I'm *never* going to look like that, no matter how many diet books my mom leaves on my bed while I'm at school.

It got to the point where I started wearing giant sweatshirts and baggy man jeans everywhere I went. I felt like, I don't even want anyone to see my body. I want to be invisible.

Then one day I went to the dentist, and my life changed. I was in the waiting room, bored, and I picked up a sports magazine. There, on the cover, was the biggest model I've ever seen. Big boobs, big hips, BIG thighs. Not only that, but she was in a swimsuit! She was bulging out all over the place!

She had to be on the cover for a reason. Obviously the owner of the magazine liked her, and he thought other guys would like her and pay $8.99. But the main thing I realized looking at her was, *she* liked *herself*.

I stole the magazine and hung the cover up on my bedroom wall for inspiration. I was going to be confident like this model—but what could I do to show it?

When the Spring Carnival came around, I got a brainstorm. I "borrowed" a midriffy top and leggings from my little sister and headed for the fairgrounds. I walked all over, round and round, past the games and rides, pretending not to care that my tummy was totally sticking out of the leggings. I saw some

catty girls whispering and giggling, but I just kept walking, head held high.

After a few hours, I decided that I had passed my first test. I was about to go out the exit when I felt a tingling. I stopped and turned around. A man was staring at me. I knew him. He was the dad of this girl from my class, Amber. (One of the catty girls, BTW.)

"Hi, Mr. B."

"You're Britney, aren't you?" he said. "I'm leaving, too. Can I give you a ride home?"

My heart did a little leap. Mr. B. is the hottest dad at my school. My new confident attitude was working!

We went to Mr. B.'s car, but instead of going anywhere, we just started kissing. For the first time in my life, I felt sexy and desirable. I didn't stop him when he pulled my top up. But instead of playing with my boobs or something, he squeezed my tummy! I pushed his hand away, horrified.

"Do you know why people call this a muffin top?" Mr. B. asked. He placed his hand back on my belly. I held my breath as he dragged his finger down to my crotch. "Because it sits atop the sweetest muffin known to man." He slipped his finger inside my leggings and stuck it right inside my coochie. Then he took it out and sucked on it and went *Mmmmm*.

BARELY LEGAL Confession
by Britney

He had this look in his eyes like he was drunk—and it was because of *me*. I felt hot and dizzy. The next thing I knew, he was on top of me and something way bigger than his finger was inside me.

"You feel so incredible," he gasped. "You have the tightest little pussy."

Omigod, that word! I know I was blushing, but I also started *gushing* down there. I felt like a porno superstar!

"Yes!" I said. "My…pussy is very tight!" *Gush*!

Mr. B. pounded at my kitty, squeezing my boobs and belly at the same time.

"Little slut!" *Gush*. "Fucking an older man you barely know." *GUSH*.

My insides did a flip-flop. Before I could even catch my breath, Mr. B. pulled out and sprayed me with his semen.

"Look at you," he said, pointing to my tummy. Shiny cum was dripping down the sides. "You're so beautiful."

I wear cute clothes all the time now, and I *never* watch what I eat. I don't have to. I'm beautiful—just the way I am. ★

MADI COLLINS

mad about the girl

Hello, guys! It's Abby the intern. My porn crush Madi has returned to me I mean us (February 2023)!

Welcome back, Madi! What do you like best about posing nude?
I've always felt more comfortable nude than in clothes, especially when posing for photos. There's just something so mesmerizing about how many different sizes and shapes the human body comes in, and I love the idea that my body can be relatable to someone out there who might look like me and be more comfortable in their body after seeing me openly love every inch of mine.

What do you like best about doing porn?
This past year and a half has really been the best time of my life. I've grown up so much and have had so many opportunities come from doing porn already, which has been super exciting! I love the experimentation that comes along with this industry—being able to try all sorts of new things and finding out what you like and don't like. I think overall my favorite thing, though, is the community that comes along with porn. If you find the right people, you get to watch all your friends live out their dreams while you do the same, and it's something I'm so glad to be a part of.

How often do you masturbate?
Honestly, five times a day. Maybe even more if I'm feeling frisky, ha ha. I'm insatiable.

What's your favorite method?
My favorite toy is my Magic Wand because I'm a princess. ;)

What turns you on the most?
I love drawn-out foreplay, the kind that gets you wet and quivering before the first touch. Well, I guess that would be more teasing, or tension? Yeah, I think that's the best word for it, when you build up all the sexual tension until there's nothing left to do but let it out together/on each other. That's my biggest turn-on, the flirty chase.

What turns you off?
"Showboat" personalities. I never like feeling like someone's trying to "win me over" or put on a certain face for me rather than just have a genuine conversation.

Are you bi?
So, funny story, I had never been with another girl until I joined the industry! But from that, I've learned that I love having sex with beautiful women. :) I'm still definitely new to the game, but now that I'm getting more comfortable, I'm more solidified in the idea I've always had that I just enjoy having sex with cool people regardless of gender.

AGE: 18
HEIGHT: 4-10
WEIGHT: 93 POUNDS
MEASUREMENTS: 32A-23-35
HOMETOWN: CHICAGO

What kind of girls do you like?
I love being around girls that are kind, confident, and true to themselves. Women are fucking awesome, and the coolest thing about us is everyone's awesome in their own little ways. You can have little to nothing in common with another girl but still find ways to talk for hours based on your differences, and I think that is a unique thing I've experienced more with women than men in my life. I think seamless authenticity is so sexy.

How do you like to be fucked?
It really depends on the day! Sometimes I like to get fucked silly until I can't think straight and other days I love slow and sensual.

What's the best way for someone to make you come?
Lotsssss of foreplay/buildup. Like I mentioned earlier, I'm a sucker for the chase, so odds are if that's involved I've already come in my panties before we even start having sex, ha ha.

Where do you like guys to come?
I love getting creampied! I love feeling the pulsing and making sure every last drop is inside me. I don't know why—there's just something super hot about that feeling.

Where's the weirdest place you've had sex?
I don't think I can share the weirdest place without getting in trouble, ha ha. There was a time I was swiping on Tinder and saw my old house on a guy's profile, so I matched with him and slept with him in my old bedroom, which was now his bedroom, without him ever knowing that I hooked up with him because he lived in my old house, ha ha. I mean it helped that he was super hot, but I always thought that was a funny occurrence.

What is the wildest thing you've ever done?
Oh god, where do I start, ha ha. I was a LOT more wild growing up than I am now, but I also don't want to incriminate myself, so I won't give away too much. I guess one of the most wild things I've done is gone skinny-dipping at church camp! ;)

What are your future plans?
I would love to shoot more features and be able to showcase my acting abilities more! I also think it would be a lot of fun to start dancing and traveling again! It's a long road ahead, and I'm just excited to see where it leads to! ★

ALYCE

hot for teacher

Hey, everybody! Abby the intern here. I want to stay after school with education major Alyce.

Hi, Alyce! How would you describe yourself?
Nerdy, sweet, love to laugh.
What do you do for fun?
Go to the beach, cook, go to the movies.
What is your best physical feature?
Probably my butt.
What turns you on the most?
Kisses near my ear.
What kind of guys do you like?
All guys, really, but especially sweet nerdy guys.
What kind of girls do you like?
Girly girls—sweet and pretty.
Do you like to swallow?
Yes.
How do you like to be fucked?
I like a little bit rougher sex—hair grabbing, spanking, stuff like that.
What's the best way for someone to make you come?
When I'm right on the edge, whisper in my ear or pull my hair.
Where do you like guys to come?
My chest or my mouth.

PHOTOGRAPHY BY THISYEARSMODEL.COM

Where's the weirdest place you've ever had sex?
In a car in a full grocery store parking lot at 2 p.m.
What is the wildest thing you've ever done?
Gave the pastor's son head at church.
What's the best way for a guy to ask you out?
With flowers or stuffed animals or anything that shows effort.
How would you describe your dream date?
A barbecue at the beach with lots of food and kissing.
What's your favorite fantasy?
I've always wanted to drive out to the middle of the desert and have sex.
What are your future plans?
To be a teacher.★

ALEXIS LOVE

first love

PHOTOGRAPHY BY LARRY FLYNT PRODUCTIONS

Hey, guys! It's Stacy. Sometimes it pays to be Lindsey's favorite intern. (J/K, Abby!) I get to take a trip down memory lane with legendary BARELY LEGAL video superstar Alexis Love!

Alexis, it's such an honor to meet you!
LOL! You're making me feel shy.
***You*, shy? You've done over 300 scenes!**
I'm never shy when it comes to sex.
Do you remember the first BARELY LEGAL title you were ever in?
Yes! It was *BARELY LEGAL School Girls #3*.
What was your favorite part of the shoot?
Getting my hair and makeup done by professionals. I felt like a movie star.
What was your favorite part of the actual sex?
When Lee Stone picked me up like a doll and fucked me in midair.
What was the hardest part?
Probably fitting his nine-inch cock in my mouth!
I can't believe you fit it in your mouth *or* in your pussy. You're so teeny.
It was all part of the job. A very fun part of the job. LOL!
Do you have to have porno-size peens in your personal life?
Not at all. I don't think I could fuck a nine-inch cock every day. Could you?
I'd love to try! Just kidding. Before we go, is there anything you want to say to our readers?
Love you guys! Do you miss me? ;) ★

I'm only 18 and I hang with my sister Wendy and her 19-year-old friends, Dana and Randy," brags wannabe hosebag Ashley. "They're way more fun than the boys at school. When our parents are out of town, Wendy and I invite Dana and Randy over. We hang in the backyard. Wendy hooks up with Dana. They go off and make out behind the above-ground pool. That's cool with me. Randy says it's too weird to finger me with my big sister around.

"Randy and I sit on the lawn furniture. He slides my clit between his fingers and squeezes it. My pussy drips just thinking about it. Randy doesn't like me to wash down there. He says he likes the taste of my girl sweat, the natural funk from being in my underwear all day. Sometimes he takes a big whiff before he digs in.

"The other night Randy did the nastiest thing *ever*. I was lying in the back seat with my legs spread. I was hoping Randy would eat my cooze, but he stuck his tongue up my asshole instead. I pulled away. He asked me if I'd ever had a rimjob.

"I didn't want him to think I was *that* skanky, so I said, 'A girl at my Catholic School retreat did it to me last week. I was totally into it.'

"Randy thought that was so hot. He pulled out his dick and jacked himself off while he Frenched my butthole. He finally shot his hot, sticky mess all over my thighs and made me taste my ass on his tongue. *I liked it*. Now do you see why I'm super-sleazy?" ★
